Presidents Message

Dear Members,

This is a difficult situation we find ourselves in: our President is facing a monumental challenging position with the vote hanging in the balance. We must be strong, levelheaded and put our trust in the counting of the ballots in the states that are still in question.

We must face the possibility that our President will not win re-election. Let not your hearts be troubled, as Sean Hannity would say. We must be strong, stand together and realize all is not lost. I am adopting an attitude of gratitude. We will still have our friends, our families and the wonderful country that we live in. I am grateful that we have had President Trump's leadership for the past four years. He did his best, he made great strides for the American people. He showed his passion for America and American values.

My personal opinion is that the vote for Biden was not because the people want him as president, rather that the great hatred for Donald J Trump perpetrated by the vindictive press and Democrats influenced the voters to vote for anyone other than President Trump.

Let us stick together, stay in our club and keep fighting for our Republican values. That is the most important thing. Thank you to everyone who worked so hard waving signs, going to polling places and supporting President Trump. We will continue to fight for Republican values and reinforce our love for America and the American way of life as our forefathers wanted it to be.

Thank you my Republican sisters and brothers, stay with us

Your President,

Dianne

The VFW Post10147 appreciates your Wreaths Across America Sponsorship.

We often get asked "What is a veteran wreath? And what is the meaning behind our live balsam wreaths?"

Live balsam wreaths are an important part of our mission to "Remember. Honor. Teach."

As we place each living wreath and speak the names of our veterans, their sacrifice lives on and we honor not their death, but their lives.
