HAPPY HALLOWEEN

October 2021

My dear NORWF Sisters,

Well, it is that time of year when we look for our new officers. Please pray about it, think long and hard and say yes when the nominating committee calls you and asks you to be an officer. We need some good ladies to step up and keep our club going strong.

We have gotten some real good speakers coming up the next few meetings so make sure you get to hear them.

See you on October 21st, and please stay safe out there.

May God Bless you and America,

Susan

The NFRW convention was a wonderful experience. Inspirational and knowledgeable first speakers with real world ideas to hold back the tide of Marxism and socialism. The 2022-2023 slate of officers was elected without opposition. They face a myriad of challenges but will lead our organization with straight and courage. Interesting and useful workshops. And meeting me y wonderful and patriotic women from across the country made convention an amazing experience. Barb

Please **care** about your club, community, and board!!! **Is** it your turn to serve?????

Ladies it is that time of year for the Nominating Committee selected at the September meeting to be calling **YOU!!!** The success of the club – is only as good as its officers. It is a privilege to serve on the board and many hands make light work. It can be a lot of fun. Each position has a description, and the committee can give you information of duties when they call. PLEASE CONSIDER it is **YOUR CLUB** its success is up to officers and ALL MEMBERS are to support those officers elected. **So, when YOU SAY YES** – you have the support of the club. Election will be held at the November meeting and installation will be held at the December Christmas Program/Meeting.

The VFW Post10147 appreciates your Wreaths Across America

Sponsorship.

We often get asked "What is a veteran wreath? And what is the meaning behind our live balsam wreaths?" Live balsam wreaths are an important part of our mission to "Remember. Honor. Teach." As we place each living wreath and speak the names of our veterans, their sacrifice lives on and we honor not their death, but their lives.

See how the ten evergreen bouquets are using in creating each wreath. The meaning of each bouquet is described.

Remember that for only \$15, you can sponsor a wreath to be laid upon a veteran's grave this holiday season. Click the link below for more info. You can do so in honor of or in memory of a veteran. <https://wreathscrossamerica.org/pages/161822>

Government Accountability

One of President Trump's biggest campaign promises was to make a government by and for the people. Throughout his first year in office, the President worked to drain the swamp and created more transparency.

Health Care

President Trump repealed the Obamacare individual mandate, expanded plan choices and increased competition to bring down costs for consumers

Infrastructure and Technology

President Trump built stronger rural communities by ensuring Americans have access to the quality infrastructure they deserve.

Social Programs

President Trump and his Administration protected life by fighting back against illegal drug shipments, opioid abuse, and abortion service providers.

Education

President Trump and his Administration supported the expansion of school choice across the country, so every parent has a voice in their child's education.

Veterans

President Trump made sure the government fulfilled its commitment to our country's veterans by reforming the V.A., including firing the 500 worst managers in the agency, and providing education and health benefits.
