WREATHS ACROSS AMERICA

We often get asked "What is a veteran wreath? And what is the meaning behind our live balsam wreaths?" Live balsam wreaths are an important part of our mission to "Remember. Honor. Teach." As we place each living wreath and speak the names of our veterans, their sacrifice lives on and we honor not their death, but their lives.

See how the ten evergreen bouquets are using in creating each wreath. The meaning of each bouquet is described. <https://www.youtube.com/watch?v=j9kCt5RGInC&fbclid=IwAR1vaTNE8eOA7SuJ9e6gO5TM0gUtaF4bpluqZfen7T7ft6PkMrAjXGDz9Ro>

Remember that for only \$15, you can sponsor a wreath to be laid upon a veteran's grave this holiday season. Click the link below for more info. You can do so in honor of or in memory of a veteran in the city of Apopka's Edgewood/Greenwood Cemetery. We are looking to place a wreath on all 400 veteran's grave's and would appreciate your support. This year we will order extra wreaths for you to place on a veteran grave in other cemeteries Please contact COL (R) Loretta Forlaw to order additional wreaths in addition to a wreath (s) for Edgewood/Greenwood Cemetery or if you do not want to order online. Cell:407 579 5971 Please order online at <https://wreathsasscrossamerica.org/pages/161822>

Government Accountability

One of President Trump's biggest campaign promises was to make a government by and for the people. Throughout his first year in office, the President worked to drain the swamp and created more transparency.

Health Care

President Trump repealed the Obamacare individual mandate, expanded plan choices and increased competition to bring down costs for consumers

Infrastructure and Technology

President Trump built stronger rural communities by ensuring Americans have access to the quality infrastructure they deserve.

Social Programs

President Trump and his Administration protected life by fighting back against illegal drug shipments, opioid abuse, and abortion service providers.

Education

President Trump and his Administration supported the expansion of school choice across the country, so every parent has a voice in their child's education.

Veterans

President Trump made sure the government fulfilled its commitment to our country's veterans by reforming the V.A., including firing the 500 worst managers in the agency, and providing education and health benefits.
