

### Presidential Thoughts

Greetings my wonderful ladies –

Presidents Article for September

Welcome back!! You say I didn't go anywhere, but I am saying welcome back to you because I have not seen you all summer. We have been meeting all summer and enjoying our speakers as well as the company of each other.

Just in case you are wondering if we are still looking for another venue for our Luncheon/Meetings. Yes We are still looking; however, the facilities are out of our reach. That is before we even hire a caterer. We have had many suggestions and we are always open for more. We want you with us. The two items that we must look at when we are looking for a venue are that we don't get too far west as that makes it difficult for our working members or guest to get back to work if they work in Altamonte or any other area on the other side of I-4 and the other is the cost. I would also consider the layout of the room, so I have now given you more than two to think about.

If you were not at the August Luncheon you would not have heard me announce that President Barb Zack has resigned as the President of the Northwest Orange Republican Women's Federation, effective August 17th. We will proceed as usual. I will be the president as of now, and in October we review the nominations and vote in November. December the new president will be installed for a one-year term. She will take over in January. The president of our organization is the only officer who requires a vote for replacement rather than selected by the BOARD.

I sincerely hope that you have purchased your ticket for the BIG RED BINGO DAY. The location Apopka United Methodist Church is convenient for everyone so I hope that Bev will fill the room with 100 Bingo Players. Tickets may be purchased from Bev Winesburg for \$15.00 EACH. I know you will have a wonderful time and I am sorry to miss this special event. I will be in California visiting children, grandchildren and great grandchildren as well as meeting granddaughter's Australian husband for the first time as they will be renewing their vows. Their wedding was planned in the states then COVID hit, and they could not get to the states for their planned wedding for two years. So, they married in Australia. Now the stateside vows.

The primaries have ended, and we move on into the fall. This is a very crucial time for our party, and I hope that you will be able to help when called upon. Stuffing envelopes, making phone calls, waving signs or just anything you can do to get our candidates name out there and elected. Maybe you would be more comfortable as hostess for your favorite candidate. Please think about what you can do to make FLORIDA RED.

GOD BLESS THE USA  
President Marty

Katie Hope, one of our new members so graciously set up the NORWF face book page for us. The link is below so that you can sign on to the page. If you have pictures from the past meetings, she would like for you to send them to her so that she can post them for us. Also, if you have information on one of our events that you would like to get out to the other members as well as possible new members

With great sadness President elect Barb Zakszewski, had to resign due to family health issues. Marty Harrison has agreed to fill that position through the end of year. This brought about selection of nominating committee of Bev Winesburgh, Bev Blackmon and Charlotte White. Nominating committee will bring nominations to the November meeting and the installation will be at the December Christmas Party. All other board positions remain for another year, so only replacing president position. Please send nominating committee any recommendations for President position and as always nominations will be taken from the floor. We wish Barb Zakszewski and her family the very best.
